## LAW&DEV

The new Interuniversity Network on Law and Development (LAW&DEV) unites researchers at the law faculties of the Flemish universities engaged in research and education on the interaction between law and development, both within domestic societies and within the international community.

LAW&DEV promotes excellent research and education in law and development with a specific focus on the rights of disadvantaged persons and groups.

The Network aims at demonstrating the relevance of the legal discipline to development, while fully encouraging interdisciplinary collaboration.

The LAW&DEV Board are Eva Brems, Giselle Corradi, Koen De Feyter, Eric Elong Ebolo, Paul Lemmens, Stephan Parmentier, Stefaan Smis and Wouter Vandenhoe. The website of the network is [www.lawanddev.ugent.be](http://www.lawanddev.ugent.be)
